4.6.5	Listing staff.....	4-17
4.6.6	Linking documents.....	4-18
4.6.7	Recording other project information.....	4-19
4.7	Closing projects/jobs.....	4-19
5.	SURVEY TRACKER	
5.1	Introduction.....	5-1
5.2	Setting up an asbestos survey.....	5-1
5.3	Completing the survey	5-5
5.4	Amending survey data.....	5-5
5.5	Entering sample analysis results	5-7
5.6	Printing survey reports	5-9
5.7	Amending survey reports	5-10
5.8	Generating an electronic asbestos register	5-11
5.9	Adding further surveys to an existing register	5-13
5.10	Importing third-party survey data.....	5-14

6. LAB TRACKER

6.1	Introduction	6-1
6.2	Recording sample analysis results.....	6-1
	Pre-filling the analysis.....	6-5
6.3	Updating the project with analysis results.....	6-6
6.4	Working with Bulk Sample projects	6-7
	6.4.1 Creating a Bulk Sample project	6-7
	6.4.2 Booking in Bulk Samples	6-12
	6.4.3 Recording Bulk Sample analysis results	6-13
	6.4.4 Loading the Bulk Sample analysis results	6-17
6.5	Using Tracker's automatic Lab checking system.....	6-19

7. TRACKER MOBILE

7.1	Introduction.....	7-1
7.2	Understanding the Pocket PC basics	7-1
	7.2.1 Charging the battery.....	7-1
	7.2.2 Connecting to a PC	7-2
	7.2.3 Taking care of the Pocket PC.....	7-2
7.3	Preparing the Pocket PC.....	7-3
7.4	Recording the results of the survey	7-3
	7.4.1 Starting Tracker Mobile.....	7-4
	7.4.2 Recording a survey item	7-5
	7.4.3 Checking items/revising entries	7-6
7.5	Uploading the survey to the database.....	7-7
7.6	Synchronising.....	7-8
	7.6.1 Backing up your data	7-8
	7.6.2 Synchronising your data	7-10
7.7	Loading the survey photographs	7-15

8. POCKET PC REINSPECTIONS

8.1	Introduction.....	8-1
8.2	Preparing reinspection records for downloading.....	8-1
8.3	Transferring reinspection items to Pocket PC.....	8-6
8.4	Performing the reinspection	8-7
8.5	Updating the register	8-11
8.6	Producing a report and updating the history.....	8-12

9. AIR MONITORING

9.1	Introduction.....	9-1
9.2	Understanding the process	9-1
9.3	Preparing the project	9-3
9.4	Recording project details.....	9-4
9.5	Refreshing the Pocket PC files.....	9-5
9.6	Requesting documents	9-5
9.7	Recording inspection details	9-10
9.8	Updating the project data in Tracker.....	9-13
9.9	Producing the certificates in Tracker.....	9-14

10. DAILY WORKSHEETS

10.1	Introduction	10-1
10.2	Recording daily worksheets in Tracker	10-1
10.3	Recording daily worksheets on the Pocket PC	10-7
10.3.1	Checking or adding to daily worksheet details	10-12
10.4	Reviewing daily worksheets in Tracker	10-12
10.4.1	Reviewing daily worksheets by project	10-12
10.4.2	Reviewing daily worksheets by client	10-14
10.4.3	Reviewing daily worksheets by browsing	10-15
10.5	Reporting on daily worksheets	10-17
10.5.1	Time Details from Daily Worksheets	10-17
10.5.2	Expenses from Daily Worksheets	10-18
10.5.3	Activity and Expense	10-19

11. CUSTOMER RELATIONSHIP MANAGEMENT (CRM)

11.1	Introduction	11-1
11.2	Who will use the CRM module?	11-2
11.3	Exploring the layout of the CRM Dashboard	11-3
11.4	Using the CRM Toolbar	11-5
11.5	Logging a call	11-5
11.6	Scheduling follow-up action	11-7
11.7	Checking the Actions Due	11-8
11.8	Recording an Action Done	11-9

12. REPORTING

12.1	Introduction	12-1
12.2	Producing reports	12-1
12.3	Exporting data for further analysis	12-3
12.4	Creating your own queries	12-3
12.4.1	Access queries	12-3
12.4.2	Creating queries using the Query Wizard	12-4
12.4.3	Creating queries from scratch	12-7
12.4.4	Updating the reports list in Tracker	12-13

13. INVOICING

13.1	Introduction	13-1
13.2	Invoicing a project	13-1
13.3	Producing an ad hoc invoice	13-4
13.4	Reviewing the invoice list	13-7
13.5	Raising a credit note	13-8
13.6	Exporting Tracker invoice details to Sage	13-8
